

CICU RECIPROCAL TUITION REMISSION PROGRAM

The CICU Reciprocal Tuition Remission Program is available to all full-time employees, their spouse and their dependent children.

Employees become eligible for the program the semester following their date of hire. The employee must maintain full-time status to continue to be eligible for tuition benefits. If an employee terminates employment, the benefit ceases at the end of the semester. If termination occurs prior to the start of the academic year, no tuition benefits will be awarded.

Students must meet the admissions criteria of the host institution. Once enrolled, they must adhere to the standards of academic progress and personal conduct set up by the host institution.

All students awarded CICU Reciprocal Tuition Remission benefits must apply for financial aid if attending full-time. This includes students attending Daemen College.

Students may attend reciprocal schools for majors offered by Daemen College.

To apply for CICU Reciprocal Tuition Remission benefits, the employee must complete an application for benefits. Forms may be obtained in the Personnel Office.

COMMISSION ON INDEPENDENT COLLEGE AND UNIVERSITIES

RECIPROCAL TUITION REMISSION PROGRAM

Participating Schools (Undergraduate Only)
