

- ▶ Notification for clearance for Graduation will be sent to you by the Registrar's office.
- ▶ The notification will be sent to your Daemen email account.

Review of your record and notification of clearance for graduation are done on the following schedule:

- **FINISHING AT THE END OF THE FALL SEMESTER:** If your application indicates that all requirements will be completed (including student teaching and all clinical experiences required of your program) at the conclusion of the Fall semester (making you a prospective **January degree conferral**), your record will be reviewed at some point in the Fall semester.
- **FINISHING AT THE END OF THE SPRING SEMESTER:** If your application indicates that all requirements will be completed (including student teaching and all clinical experiences required of your program) at the conclusion of the Spring semester (making you a prospective **May degree conferral**), your record will be reviewed at some point in the Spring semester.
- **FINISHING DURING THE SUMMER:** If your application indicates that all requirements will be completed (including student teaching and all clinical experiences required of your program) in the Summer term (making you a prospective **September degree conferral**), your record will be reviewed at some point in the Summer.
