NUR601 Palliative Care Management II	6						
TOTAL	30-32						

THESIS/PROJECT: Students must complete either NUR604 Thesis or NUR605 Project. A minimum of 4 and a maximum of 6 credits are required for completion of NUR604/605.

COURSE REPEATS: Students may repeat a graduate course one time in the event that a minimum grade of B is not achieved.

TIME LIMITATION: A student admitted to the Palliative Care Nursing graduate program is expected to maintain continuity in his/her academic program and enroll each semester until all requirements are completed. A part time student may complete 2-7 credits per semester. Full time students must complete a minimum of 9 credits per semester. Excluding an approved Leave of Absence, all requirements for the MS, Palliative Care Nursing program, must be completed within a period of 4 calendar years from the student's initial enrollment for graduate study, regardless of whether the student was initially accepted as a degree or non-degree student.

REQUIREMENTS FOR GRADUATION:

- Completion of all course work as defined on this Plan of Study
- A minimum grade of B in all courses, thereby resulting in a cumulative grade point average (GPA) of 3.00.
- **Application for Degree:** All graduate students are required to file an Application for Degree form with the Registrar's Office at the onset of the Fall semester prior to the anticipated date of completion of degree requirements. The form is accessible on line at www.daemen.edu/registrar, select the Graduation Info option.
