***HEALTH INSURANCE***

Daemen College requires *ALL* students living on campus and *ALL* international students, whether they live on campus or not, to be covered by health insurance.

As a resident student, or international student, you must either purchase the College plan or sign a waiver indicating you have other health insurance coverage that can be used in the United States.

The College’s insurance plan covers both accident and illness. The plan is available to *ALL* students who desire to enroll in the plan. Information, applications, and brochures are available in the Health Services Office or by calling (716) 839-8446, or emailing [sgirard@daemen.edu](mailto:sgirard@daemen.edu)

***HEALTH INSURANCE WAIVER FORM***

\_\_\_\_\_ No, I will not be enrolling in the Daemen College Student Health Insurance Plan. I fully understand that I am legally responsible for any medical expenses incurred during my enrollment at the College and the College will not be responsible for any medical expenses.

I am currently covered under the following policy:
