

CURRICULUM VITAE

Jill E. Mayer
Schenck Hall #209A
4380 Main Street
Amherst, NY 14226
(716)-839-8309

Department of Physical Therapy
Daemen University
Amherst, NY 14226

Education:

Doctor of Physical Therapy: Ithaca College, Nov. 2010, Rochester, NY
Master of Science: Ithaca College, May 2010, Ithaca, NY
Bachelor of Clinical Health Studies; Summa Cum Laude, Ithaca College, May 2009, Ithaca, NY

Licensure Information/Registration Number:

Current: New York State Physical Therapist: License # 037741
Past: New Jersey State Physical Therapist: License # 40QA01386200 (Maiden name: Cadby)

Certifications (eg, ABPTS):

American Physical Therapy Association Board Certified Clinical Specialist in Neurologic Physical Therapy:
May 2015 to Present.
Maintenance of Specialty Certification approved in June 2021
LSVT BIG certified clinician: January 2016- January 2020
APTA Certified Clinical Instructor: March 2014
CPR/AED and First Aid Certified: 2007 – Present

Employment and Positions Held:

Assistant Professor
Daemen University Department of Physical Therapy
Amherst, NY
September 2023- Present

Clinical Associate Professor
Ithaca College Department of Physical Therapy
Ithaca, NY
February 2023- August 2023

Clinical Assistant Professor
Ithaca College Department of Physical Therapy
Ithaca, NY
August 2015 –February 2023

Adjunct Faculty: Lecturer

Daemen University Department of Physical Therapy
Amherst, NY
September – December 2022

Instructor- Full time one-year position
Ithaca College Department of Physical Therapy
Ithaca, NY
August 2014 – May 2015

Physical Therapist: Per Diem
Cayuga Medical Center: Acute care and Inpatient Rehabilitation
Ithaca, NY
November 2014 – August 2022

Senior Physical Therapist
Kessler Institute for Rehabilitation
West Orange, NJ
January 2011 – August 2014

Physical Therapist: Part-Time
Inglemoor Rehabilitation and Care Center
Livingston, NJ
July 2013 – August 2014

Private Homecare
Livingston, NJ
November 2013 – August 2014

Research Activity

Grant Activity:

External Grants:

Michael J Fox Foundation Therapeutic Pipeline Program- technology grant: "The effectiveness of 3D MOT training in patients with Parkinson Disease." November 2019.

Role: Co-Investigator

Unfunded: \$155,556

Principal Investigators: Harenberg, S. Kakar, R.,

Michael J Fox Foundation: "The effectiveness of 3D MOT training in patients with Parkinson Disease" July 2019

Unfunded: \$155,556

Role: Co-Investigator

Principal Investigators: Harenberg, S. Kakar, R.,

American Physical Therapy Association Oncology Research Grant: "Individualized Home Exercise Programs: Measuring Compliance, Function and Quality of Life in Cancer Survivors." May 2017

Unfunded: \$5,000

Role: Principal Investigator

New York Physical therapy Association 2014-15 Arthur J. Nelson Research Designated Fund: "Using wearable technology and smartphones to assess static and dynamic balance." June 2015

Unfunded: \$14,900

Role: Co-Investigator

Principal Investigator: Kakar, R.,

Internal Grants:

REACHE Grant, Ithaca College, Ithaca, NY. "The effectiveness of 3D MOT training in patients with Parkinson Disease." December 2018

Funded: \$13,000

Role: Co-Investigator

Principal Investigators: Harenberg, S. Kakar, R.,

Early Career Excellence Institute: Center for Faculty Excellence. Jan 2016-Dec 2016, Funded: \$1500-
Selected into a cross-disciplinary faculty learning community (12 members) that engaged in an active, collaborative, yearlong program with the specific focus on enhancing teaching and learning through course design and reflection. Met in small groups bi-monthly to reflect on our teaching and implement strategies to create significant learning for our students

Institutional Development Fund, Ithaca College, Ithaca, NY

Funded: \$265 each. November 2015

"LSVT Global Online Course to Enhance Neurologic Rehabilitation II." Gras L, **Mayer JE.**

Sponsored Student Research:

Ripic J. Sevilla K. Using motion analysis to capture gait kinematic changes in a patient with incomplete spinal cord injury. Fall 2019-Spring 2020. Presented at the Ithaca College Whalen Symposium (virtual) in April 2020. **** Accepted as poster presentation for CSM**

Montgomery K. Disparities in healthcare in developing countries: a look into physical therapy access and availability. Honors Thesis. March 2017-May 2018. Whalen Symposium April 2018.

Conway T. The effect of comorbidities on prognosis in a patient following a right temporoparietal stroke: a case report. Whalen Symposium. April 12th 2018.

Barnes C, Brown S, Danko J, Gray R, Koval M, Sorrentino N, Todd V. *The Effects of an 8-Week Interdisciplinary and Supervised Exercise Program on Post-Treatment Cancer Survivors: A Case Series*

**** Finalist of the 2017 HSHP platform presentation for Whalen Symposium, April 13, 2017**

**** Accepted as poster presentation for CSM**

Carr J, Cochario B, Folk S, Nelson S, Sterns E, Strange H, Togliatti A. *Benefits of Physical Therapy Intervention: The Effects of an Individualized Home Exercise Program (HEP) on Function and Quality of Life (QoL) in 7 Cancer Survivors*

**** Accepted as poster presentation for CSM**

Bello J, Ferrante T, Kraus B, Koval M, LeClair N, O'Brien N. *The benefits of a 6 week intensive dual-intervention land and aquatic based physical therapy treatment plan for a patient with the Miller Fisher variant of acute demyelinating polyneuropathy: a case report*

****Finalist of the 2016 HSHP poster presentation for Whalen Symposium**
**** Accepted for Platform Presentation at CSM**

Vorensky M. *Interpersonal Communication Skills in a Physical Therapy Clinical Setting: Influence on Student and Patient Relationships*. James J Whalen Academic Symposium, April 9th 2015.

****Winner of the 2015 HSHP platform presentation**

Charno A, Loftus C, O'Donnell M, et al. "Peer-to-Peer Mentoring: Enhancing the Quality of Clinical Mentoring in a Doctor of Physical Therapy program: NYPTA Southern Tier District Meeting, April 2015.

**** Accepted for Platform Presentation at Education Leadership Conference**

Current Projects:

IRB approved:

McCartney, Moon, Beck, Mayer JE. Effects of high intensity aerobic exercise on cognitive function as measured through eye tracking technology in individuals with acquired brain injury. Spring 2022-present.

IRB Approved:

Mayer JE, Plumeau K. Balance Training Home Exercise Program for Individuals in Active Chemotherapy. Spring/Fall 2022.

Mayer JE, Plumeau K, Brown S. ESS and PT Interprofessional Education through a Wellness and Cancer Survivorship Program. In Process, initiated August 2018. ***On hold secondary to pandemic***

Harenberg, S., Kakar, R., Mayer, J., Mayer, J., Vosloo, J., Bessette-Symons, B. The effectiveness of 3D MOT training in patients with Parkinson Disease, Ithaca College. Initiated Fall 2019. ***On hold secondary to PIs moving.***

Invited Speaker/ Presentations/ Guest Lectures:

Mayer JE., Hejl L., Mendler M. Oncology Rehabilitation: Restoring Function and Quality of Life After a Cancer Diagnosis. Cancer Resource Center Living Well with cancer series. September 2022

Akinboboye O., Belyea B., Callahan C, Ciccone, Mayer JE. "Ithaca College Live Show." PT Pintcast with Jimmy McKay. April 28th, 2021.

Mayer JE, Global Advocacy. Guest Lecturer, ICSM Hello China; Fall semester 2019- present.

Mayer JE. *Neuro-rehabilitation*. Guest Lecturer, PTBS 20100: Intro to Practice. April 2021 and 2022.

Mayer JE. King D. Typical gait pattern and pathological gait in the neurologic population. Occupational Therapy Neuro Graduate class; November 4th 2019.

IC Unite for Her: Impact of Physical Activity on Cancer survivorship; March 2019

FitzSimons R, Heubeck A, Marcyan R, Thomas Z, Mayer JE. The effects of exercise on the cancer survivor. *Living Well with Cancer speakers series*. Cancer Resource Center of the Fingerlakes; Jan 15th 2019.

Mayer JE, Global Advocacy. Guest Lecturer, ICSM Hello China. November 6th 2018.

Jasinski O, Paris S, Mayer JE. Can Exercise Reduce the Risk and Recurrence of Cancer? *Living Well with Cancer Series; Sponsored by Cayuga Medical Center; Cancer Resource Center of the Fingerlakes*: Feb. 20th 2018

Mayer JE, Fishel S, Taves J, Rogalski Y, Elich Monroe J, Gras L. Interprofessional Education Through a Monthly Stroke Support Group. *Faculty Research Fair, Ithaca College*. November 2017

Mayer JE, Di Francesco A, Gibble T. *The Impact of Exercise on Cancer Recovery*. Lifelong. Ithaca, NY. Feb 24th, 2017

Mayer JE. *Neuro-rehabilitation and Oncology Rehabilitation*. Guest Lecturer, PTBS 20100: Intro to Practice. Nov. 2015-2018.

Cioffredi M, Di Francesco A, Gibble T. *Can Exercise Reduce the Risk of Cancer?* Cornell University Cancer Lecture Series. November 9th 2016. Advisor: Jill Mayer

Mayer JE. *Interdisciplinary Wellness and Cancer Survivorship Program*. Faculty Research Fair. November, 29, 2016.

Fishel S, Mayer JE. *Creating Significant Learning Experiences: Application in a Physical Therapy Curriculum*. Physical therapy Department, Nov. 17th 2016. Presented to the Center for Faculty Excellence on Dec. 13th 2016.

Mayer JE. *Oncology Rehab: Implications for PT Practice*. Ithaca College Physical Therapy Professional Development Summit. October 22, 2016.

Mayer JE. *How can Physical Activity Impact Your Life?* Invited Speaker, Cancer Resource Center of the Fingerlakes support group gathering. Cancer Resource Center of the Fingerlakes, August 2015

Mayer JE. *Physical Activity and Cancer: It's Not Too Late*. Invited Speaker, NYS Regional Student Conclave. Ithaca College, April 18th 2015

Mayer JE. "Physical Activity and Cancer: How does it impact your life?" Invited Speaker, Cancer Resource Center of the Fingerlakes Women's Health Day. La Tourelle and Spa, April 2015.

Mayer JE. "Physical Activity and Cancer" Invited Speaker, Bayonne Cancer Support Group Bayonne Medical Center, Bayonne, NJ, March 2014

Mayer JE. "Steps to Wellness Stroke Education Series" quarterly speaker, stroke survivors and their families, Kessler Institute for Rehabilitation, West Orange, NJ, June 2011-August 2014

Mayer JE. "Stroke, Brain Injury and Spinal Cord Injury Education Series" and "Accessible Travel and Transportation" quarterly speaker, patients and their families. Kessler Institute for Rehabilitation, West Orange, NJ, June 2011-August 2014

Mayer JE. "Physical Therapist Role in Inpatient Rehabilitation" Invited speaker for local DPT students at Seton Hall, Kessler Institute for Rehabilitation, West Orange, NJ, September 2013

Membership in Scientific/Professional Organizations:

American Physical Therapy Association (APTA) Member: 2007 – Present

Neurology Section Member: 2014 – Present

Oncology Section Member: 2015- Present

New York Physical Therapy Association Member: 2007-2010, 2015-Present

New Jersey Physical Therapy Association Member: 2011-2014

Southern Tier District, New York State Chapter, American Physical Therapy Association

Consultative and Advisory Positions Held:

- Clinical Instructor and Clinical Lab Instructor: Kessler Institute for Rehabilitation
 - Supervised physical therapy students, served as a mentor for new clinical instructors, and instructed spinal cord injury patient labs for local DPT students: Jan. 2012 – Aug. 2014
- Assistant Center Coordinator for Clinical Education (Assistant CCCE)
 - Assisted with placement of students, mentoring new clinical instructors, organizing student projects, presenting orientations and documentation training to students, presenting and organizing weekly student lectures: June 2011 – Aug. 2014

Services to the University/College/School on Committees/Councils/Commissions:

College:

- Faculty Advisor for the Women's Track and Field Team: Fall 2021 to present
- Next Genius Foundation: Devesh Lathi; Dec 17th 2021. Ithaca College Admissions in partnership with Next Genius Scholarship Program to help students in India receive undergraduate degrees.
- Faculty Council: Member, August 2019- August 2021
- Ithaca College Longview Partnership 20th Anniversary Celebration; April 2019
- Faculty Speaker Ithaca College Admissions Event: October 8th and November 12th 2018; Athletics and Events Center. Spoke to over 600 prospective students and parents from the faculty perspective of how Ithaca College stands out among other schools.
- Convocation Faculty Speaker; August 27th, 2018. Welcomed the class of 2022 to Ithaca College on behalf of Ithaca College faculty.
- Mayer JE, Taylor M, Woychick S. Global Health: How One Small Country Impacted our Practice, Hearts and Futures in a Big Way; *IC 125th Anniversary Conversations Started*: Ithaca College Athletics and Events Center; Nov. 3rd, 2017
- College Advisory Committee on Campus Security and Campus Life Committee, Sept 2015-May 2019
- Faculty Development Committee: Member, Aug 2016- May 2019
- Chair of Faculty Excellence Award Sub-committee.
- Facilities Services Supervisor Search Committee member for two area supervisors, December 2016- January 2017
- Inaugural Ithaca Seminar Symposium: Students presented their advocacy plans. Emerson Suites, December 14th, 2017

School of HSHP:

- HSHP admissions events for prospective and accepted students: In Person and Virtual events, Fall and

Spring semesters from 2019- Present.

- Educating Health Professionals in Interprofessional Care (ehpic 2020). *Advancing the Future of Healthcare Through Interprofessional Learning: a 3-Day Program for Health Professionals, Educators and Leaders*. Ithaca College. January 15-17th 2020.
- Facilitator at the Ithaca College Interprofessional Educational Event for OT, PT, SLP, and TR students: Ithaca College Emerson Suites, November 2016- 2017
- Co-founder of the Wellness and Cancer Survivorship program. (Mayer JE., Micale F., O’Haire J., Hunter J.) Interprofessional exercise and wellness program designed for people living with or beyond a cancer diagnosis. This program was piloted at Ithaca College until it eventually became offered to the community and data was collected.
- Search Committee member for Exercise Science Department Exercise and Wellness Specialist, Dec. 2015- August 2016

Department:

- Chair, Student and Alumni Engagement Committee
 - Alumni advisory council, Fall 2021- Present
- Member: Clinical Education Committee, Fall 2022- Present
- Faculty Advisor, ICPTSA Civic Engagement Committee: Spring 2020-present
- Member, Alumni Committee, Fall 2019-Fall 2021
- Chair, Review Committee for the Associate Department Chair, Spring 2020
- Search Committee member, 4 tenure eligible Assistant/Associate Professor positions in the department of
 - Physical Therapy. Aug. 2019-March 2020
- Chair, Review Committee for the Curriculum and Assessment Coordinator, Fall 2018
- Chair, Scholarship Committee, 2015-Spring 2018
- Search Committee member, Clinical Assistant Professor and Assistant Director of Clinical Education 2016-2017
- Pre-professional Student Orientation on PT program: Nov. 2017
- Prospective Student meetings: Sept. 2014- Present
- Ithaca College Open House: Sept. 2014- present
- Ithaca in Motion/ Ithaca Today: 2015-present
- Freshmen Summer Orientation: 2015- 2019
- Midterm phone calls to students and clinical instructors who are out on internship: Feb. and June 2015

Physical Therapy Professional Service:

- Development of CPG + for the “Cancer Related Fatigue Screening and Assessment: A Clinical Practice Guideline.” American Physical Therapy Association. Greenberger H., Capozza SJ., Mayer JE. Plumeau K. Following initial feedback in May 2022, updated copy submitted December 2022.
- Cancer Resource Center Walkathon and 5k: volunteer organizer and set up/break down
- NYS Special Olympics State Games: Student Health Volunteer coordinator for HSHP. Volunteered at Performance Stations and Healthy Athlete Screening stations; Ithaca College; June 24-25th 2022.
- Fall Prevention Workshop; McGraw House, Ithaca, NY. April 1st, 2022; October 2015.

- Fall Prevention Workshop; Titus Towers. Ithaca, NY. Nov 4th 2022
 - Coordinated with PT student civic engagement committee to perform falls risk assessments at local independent living facilities.
- Cancer Resource Center of the Finger Lakes Board of Directors; Elected; December 2021-present. 3 year term.
- CGFNS Global Rehabilitation Health Worker Certification Item-Writing Team (formerly known as the Commission on Graduates of Foreign Nursing Schools): April 8th 2021 to present.
 - Development of global standardized exam for rehabilitation professionals to ensure safety and quality of care delivery across the world.
- New York State Delegate: NYPTA Virtual Delegate Assembly; Saturday, May 1st 2021. Occurred virtually due to COVID-19 global pandemic.
- Continuing Education Course:
 - Plumeau K, **Mayer JE**, Strong Memorial Hospital- Wednesday, April 28th, 2021. Oncology Rehabilitation: Exercise Guidelines and Special Considerations. *University of Rochester*.
- Continuing Education Course:
 - Mayer JE, Plumeau K. Oncology Rehabilitation: Implications for PT Practice in the Outpatient Setting. *New York State Physical Therapy Association*. November 10th 2020. 2.4 CEUs
- New York State Delegate: NYPTA Virtual Delegate Assembly; Saturday, May 2nd 2020. Occurred virtually due to COVID-19 global pandemic.
- Specialization Academy of Content Experts (SACE) for the American Board of Physical Therapy Specialties (ABPTS).
 - Item Writer for the neurologic certified specialty exam: January 17th 2017-19.
- Continuing Education Course:
 - Mayer JE. *Oncology Rehabilitation: Impact on Cancer Survivorship*. Oncology Teaching Day: Advances in Caring for Patients with Cancer. Cayuga Medical Center, Ithaca, NY. April 15, 2016. Continuing Nursing Education Course: Presenter
- Co-Founder of Ithaca College Stroke Support Group comprised of students, faculty and survivors of stroke. August 2016-2020
 - Faculty from OT (Jessica Valdez-Taves), PT (Jill Mayer, Sarah Fishel, Laura Gras), SLP (Yvonne Rogalski) and TR (Janice Monroe) are all involved as well as two students from each discipline.
- Cayuga Medical Center Stroke Sub-Committee: Member of the committee to assist with collaboration between Ithaca College and Cayuga medical center. This includes attending quarterly meetings as well as providing educational resources related to stroke prevention and recovery and assisting with community outreach for stroke survivors. February 2016- February 2018.
- Cayuga Medical Center Survivor Day: Sept 2015, Coltivare, Ithaca, NY. Completed balance testing on cancer survivors and educated on Physical therapy for functional independence.
- International Aide in Malawi, Africa: Traveled to Malawi, Africa in 2013, 2016 and 2017 for 14-18 days each time.
 - While there I volunteered and assisted at multiple mobile medical clinics, treated orphaned babies with physical therapy at crisis care nurseries, volunteered at Nkhoma hospital as a physical therapist, educated professionals and donated monetary funds for patient

medications, transportation, maternal child health care, and medical equipment. Furthermore, I visited widows' villages, orphanages, and assisted in a physical therapy center for children with disabilities. During my most recent trip, I organized a short-term study abroad program with Ithaca College health care students and we all participated in many of the above stated global outreach efforts.

Other Community Volunteer Activities:

IC ME: initiated IC ME program in collaboration with Kayleigh Plumeau, our students and Student and Alumni Engagement Committee to connect the Ithaca youth bureau youth (middle and high school students) to the PT profession.

Ministry of Hope: Non profit organization that strives to provide support to Malawi, Africa in the way of healthcare needs, infant and children needs, and education. Donate, ship supplies and collaborate with to host mobile medical clinics when in country.

Days for Girls: Took physical therapy students to this event. Helped to make feminine kits for girls and women in developing countries for them to go to school or work. November 17th, 2016, and October 2017.

Titus Towers Fall Prevention program collaborating with OT and PT students: Dec 2015

Cancer Resource Center of the Fingerlakes 5k Run/Walkathon: team leader for student group: Oct 2015-2019.

Physical therapy lead for Community Re-integration program at Kessler Institute: 2011-2013

Life Rolls On: Long Island, NY, Surfing events for individuals with spinal cord injury: 2010 – 2011

Wheels to Water: Queens, NY, Surfing events for individuals with spinal cord injury: 2012 – 2013

Runs for Breast Cancer, Spinal Cord Injury Research, local youth bureaus, Relay for Life: 2005 – Present

Honors and Awards:

Ithaca College Chapter of the Alpha Eta Society: Inducted February 2019

HSHP James J. Whalen Academic Symposium winner for platform presentation: Faculty Sponsor for Student presenter Mark Vorensky. April 18th, 2015

Continuing Education:

- APTA Combined Sections Meeting Virtual On-Demand conference: March 1st to March 31st 2022. 18 CEUS
 - *“Oncology Knowledge”: Education in Physical Therapy for All persons affected by Cancer*
 - *Oncology Research update: A Year in Review*
 - *Buy-in, Competency, Expansion, Oh My! Standardized Implementation Protocol for Rehab in the ICU.*
 - *Rethinking the Tools in the Toolbox? Evidence Based Strategies to “Move Forward” in Neurological Rehabilitation*
 - *Assessing Student and Clinician DEI Competence: Does Diversity + Equity training = Inclusive Patient Clinical Practice?*
 - *All Roads to Recovery Lead to Optimal Sleep*
 - *Global Health Catalyst Talks: Leaders and Innovators on the Front Line!*
 - *Your CMCs and ABGs: Integrating Lab values to Optimize Human Movement*
 - *Must Haves when treating Across the Concussion Spectrum*
- Concussion and Whiplash a focus on the management of co-occurring head trauma and cervical

spine injury: John J. Leddy, MD (University of Buffalo) and Airelle O. Giordana, PT, DPT University of Delaware; October 18th 2021

- APTA Combined Sections Meeting: Feb 1st – Feb 28th 2021. 12.5 CEUs
 - *Moving Beyond the Motor System: Other Factors Influencing Neurorehab After Stroke*
 - *Did Major Research in the Last Decade Change Practice? Locomotor Training, Gadgets, Intensity, or Everything Works!*
 - *Permissive Hypertension, Hypoperfusion, and Early Poststroke Mobility*
 - *Neurology Platform 1A and 1B: Stroke*
 - *Cancer Survivors in Critical Care: Admissions, Prognosis, and Survivorship*
 - *Fear-Avoidance Behaviors in Concussion Management: Using the Pain Science Framework to Improve Outcomes*
 - *AACPT Lecture Award: Preparing a Future in Acute Care - Strategies for Success*
 - *Proning COVID Patients: The Impact and Role of a Physical Therapy Prone Team*
 - *Oncology Platform 1*
 - *Neurology Platform 2A: Parkinson's Disease*
- NEXT Virtual Conference- June to July 2020
 - *You Don't know Jack... Until you Understand His Culture: A Journey into Diversity Education.* Lee Ann Eagler, PT, DPT. APTA, June 22 2020
 - *John H. P. Maley Lecture - Cancer Rehabilitation: Insights on the Future of our practice.*
 - *Implementing an Intensive Inpatient Rehab Locomotor Training Program Incorporating Robotics and Other Technology-Based Tools: 7/15/20: Ning Cao, MD, Kelly Donahue PT, DPT, NCS*
 - *What would you do? Injury Prevention and Return to Play Criteria in Sports Physical Therapy.* Terry Malone, PT, DPT.
- American College of Sports Medicine National Conference; Orlando, FL. May 2019
- Combined Sections Meeting of the American Physical Therapy Association: 19 Contact hours. Washington D.C. January 2019.
- Movement System Neuromuscular diagnoses Task Analysis Webinar: May 13th 2019. Lori Quinn, PT, EdD; Nore Riley, PT, PhD
- Teaching Clinical Reasoning: Lessons Learned in Medical Education - Steven J. Durning, MD, PhD. September 2018. 2 CEUs
- Ethics and Rehabilitation of Those Diagnosed with a Brain Tumor: Earllaine Croarkin, MPT, NCS. September 2018. 2 CEUs
- Ethical Challenges in the Academic and Clinical Settings - Nancy Kirsch, PT, DPT, PhD, FAPTA, and Cathy Hinton, PT, PhD. October 2018. 2 CEUs
- Surviving and Inspiring the Generation Y PT Student - Angela Holland, PT, DPT, GCS. November 2018. 2 CEUs
- Defensible Documentation - Lori Quinn, PT, EdD and Julie Fineman, PT- Feb 6th 2018. 2 CEUs
- LSVT BIG Certification Renewal Course. February 2018. 2.5 CEUs
- Combined Sections Meeting of the American Physical Therapy Association: 19 Contact Hours San Antonio, Texas, February 16-18th 2017
 - Anne Shumway-Cook Lecture: "You Can Let Go of Me Now"
 - Who's in Charge? A Debate Over Motor Dysfunction in Brain and Spinal Cord Injury
 - The Center for Rural Cancer Survivorship: A Model for Education and Clinical Care
 - Aquatic Physical Therapy Section Platform Presentations
 - Brain or Strain? Differentiating mTBI From Cervical Spine Injury
 - Harnessing Neuroplasticity With Brain Stimulation and Rehabilitation

- Specialist Academy of Content Experts Workshop: Developing High- Quality Multiple-Choice Questions to Assess Application of Knowledge Using Patient Vignettes. Feb. 15th 2017 (6 CCUs)
- Specialist Certification Examination Item Writing: An Overview: 3 Contact Hours, Eric S. Pelletier, PT, DPT, PCS. April 30, 2016.
- Cancer Rehabilitation Models for the General Physical Therapist: 2 Contact Hours, Amy J. Litterini, PT, DPT- University of New England DPT program- APTA webinar. March 10, 2016
- Combined Sections Meeting of the American Physical Therapy Association: 20 Contact Hours
Anaheim, California, February 17-20th 2016
 - NCS Breakfast: What the World Needs Now Are Practice Leaders
