Your 2024–2025 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

In most cases, no further documentation is needed to verify 2022 income information that was transferred into the student's FAFSA using income and

If 2022 income tax return information for the student (and/or spouse) was not available or could not be used, the student (and/or spouse) must provide the institution with a 2022 IRS Tax Return Transcript(s) or a <a href="freehold:reshly signed">freehold:reshly signed</a> copy of the 2022 federal income tax return and applicable schedules. To obtain an IRS tax return transcript, go to <a href="www.IRS.gov">www.IRS.gov</a> and click on the "Get Your Tax Record" link, or call 1-800-908-9946. Make sure to request the "IRS tax return transcript" and <b>NOT</b> the "IRS tax account transcript." You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2022 IRS tax return was filed).
The student provided consent and approval to share and import income and tax information from the IRS to the FAFSA form. Additional income and tax information for the student is not required.
