When can my student move in?

Your move-in date is Saturday, August 31, 2019 between 9:00 a.m.–12:00 p.m. Approximately 300 students are moving into Canavan Hall during this time frame; therefore, it is critical that you arrive during these hours so our *Helping Paws Team* can assist you. Please clearly label each item with your full name and room number prior to arriving to campus. Traffic and the unloading process may be slow at times, so please be patient.

If you are a student athlete with practices prior to that time, please confirm with your coach and on your MyDaemen check-in for your assigned move in day and time.

Once You Arrive To Campus

Enter through the Getzville entrance off Parking Lot I. First-year students housed in Canavan Hall will proceed to the front of Canavan Hall and be greeted by our *Helping Paws Team*! This team of faculty, staff and students will help unload your belongings and carry them to your room. New Daemen College students should head to the Wick Student Center while families are awaiting car unloading. The new Daemen student will go through the centralized check-in process and return to their room with their room key.

COMMONLY ASKED QUESTIONS

How Will My Student Access the Internet?

All residence halls are equipped with wifi access. Additionally, all residence hall rooms are equipped with Ethernet jacks. Due to specific configurations of the Daemen Wireless network, please refrain from bringing your own modem.

Does My Student Need to Bring a Fan?

While the Campus Apartments are air-conditioned, Canavan Hall is not. September tends to be on the cooler side in Buffalo, but a fan may be a good idea for the first few weeks if Canavan Hall is your new home.

Can My Student Bring A Car?

Students who reside in Canavan Hall are able to bring a car to Campus, but must park it about 3 miles away from campus at Collegiate Village. Those students pay a \$15 fee for their parking pass and must register their car online (daemen.edu/parking). Daemen has a shuttle service which runs 16 hours daily in order to transport students between the two locations (and others) at no cost.

Students residing in the Campus Apartments are able to bring a car to campus and park on campus within designated lots. A student parking pass is \$35. Students can register their car online at daemen.edu/parking.

WHERE TO FIND HELP

Campus Safety can assist with Daemen IDs and access into Residence Halls. The Housing and Residence Life Office can assist with intelli keys (Apartment Residents only), college life in general and residential living.

Campus Safety

Resident Assistants

Resident Assistants are undergraduate students who serve as a first line to support their residents. As students themselves, RAs have frequent contact with their residents as support peers, leaders, educators, and community builders. RAs are responsible for developing an inclusive, vibrant, living learning community within their floor. RAs are supervised by a Hall Director who also lives in the building. There is approximately one RA for every 25 students in Canavan Hall, and one RA for every 30 students in the Campus Apartments.

Coordinator of Residence Life

The Coordinator is a full-time, professional live-in staff member who has a master's degree and supervises the Resident Assistants. The Coordinator is specifically trained for crisis management, counseling students, developing and supporting community within the residential spaces on Campus.
