Daemen College
Faculty and Staff

Dear Colleagues,

I am writing to inform you that Craig Harris, VP for Institutional Advancement, will leave his position at Daemen to assume the position of Vice President for Development for Catholic Health. He will remain at the college through the month of April.

This is, of course, a huge responsibility, and we are all proud of Craig, not only for accomplishing all he has in his time here at Daemen, but for assuming such a major position in the Buffalo/Niagara region.

Craig has certainly elevated Daemen by directing a complete reorganization of Institutional Advancement and leading the College into its first ever comprehensive campaign, which is now over 85% of the way to its goal. He has modernized our external efforts and positioned us well for the future.

We look forward to working with Craig on a number of joint projects in the future.

Please help me congratulate Craig: charris2@daemen.edu

Chief of Staff, Amanda Gross, will serve as Interim Vice President for Institutional Advancement while a search is conducted.

Cordially,

Gary A. Olson
President
