

## CURRICULUM VITAE

Ronald J. Schenk, PT, PhD, OCS, Dip MDT, FAAOMPT  
Daemen College

### Education:

Doctor of Philosophy  
State University of New York at Buffalo  
Science Education  
February 1995

Master Science  
Ithaca College  
Physical Education with concentration in Sportsmedicine  
September 1984

Bachelor of Science  
Ithaca College  
Physical Therapy  
September 1982

### Licensure Information:

New York State  
License Number: 007966  
Registration: 5027542

North Carolina  
License Number: 9293

### Certifications:

Board Certified Specialist in Orthopedic Physical Therapy (OCS)  
American Physical Therapy Association Board of Physical Therapy Specialists  
1993, Recertification 2003, 2012

Fellow  
American Academy of Orthopedic Manual Physical Therapists (FAAOMPT)  
1994, Recertification 2014

Diplomate, Mechanical Diagnosis and Therapy (MDT), McKenzie Institute, USA, 2012

### Employment and Positions Held:

Dean of the Division of Health and Human Services, Professor Physical Therapy, Daemen College,  
Amherst, NY, 2011 – Present

Professor Physical Therapy, Tenured, and Director Fellowship Program in Orthopedic Manual  
Physical Therapy, Daemen College, 2004 – Present

Physical Therapist, Orthopedic Clinical Specialist, Catholic Health System, Buffalo, NY, 1998 – 2002,  
2004 – Present

Associate Faculty, McKenzie Institute, USA, Syracuse, NY, 2012 – Present

Physical Therapist, President, Schenk Physical Therapy, PC, Orchard Park, NY, 1995 – 2015

Associate Professor Physical Therapy, Tenure track, Elon University, Elon, NC, 2003 – 2004

Clinical Associate Professor Physical Therapy, Non-tenure track clinical line, State University of New York at Buffalo, Buffalo, NY, 2000 – 2003

Associate Professor Physical Therapy, Tenured, D'Youville College, Buffalo, NY, 1989 – 2000

Associate Editor Journal of Manual and Manipulative Therapy, June 2009 – Present

#### Continuing Education Attended:

American Physical Therapy Association Combined Sections Meeting, February 2016

- Clinical Examinations for Diagnosis of Shoulder Conditions: What Should Be the Focus
- The Complicated Hip: A New Debate
- Clinical Reasoning for Manual Therapy Management of Tension-Type and Cervicogenic Headache
- The Effects of Cervico-thoracic Stiffness on the Lumbopelvic/Pelvic Floor Region

American Physical Therapy Association Combined Sections Meeting, February 2015

- Get a Kick Out of Gait Analysis: Implications for Manual Therapy and Therapeutic Interventions for the Foot and Ankle
- Sport-Related Concussion: Evidence-Based Assessment and Management

A Clinical Skills Update, McKenzie Institute, Tallahassee, FL, September 2014

American Academy of Orthopedic Manual Physical Therapist Conference, October 2014

American Physical Therapy Association Combined Sections Meeting, February 2014

- Spinal Screening for the Autonomous Practitioner
- Shoulder Impingement Revisited: Evolution of Diagnostic Understanding in PT and Orthopedic Surgery
- Functional Electrical Stimulation in Neurorehabilitation
- Response of Cartilage, Bone, and Muscle to Functional Loading

American Academy of Orthopedic Manual Physical Therapist Conference, October 2013

American Physical Therapy Association Combined Sections Meeting, February 2013

- When Should Manual Therapy and Foot Orthoses Be Added to the Physical Therapy Plan of Care: FASIG Programming, Part 1
- Rehab of the Athlete's Hip, Part 1: Impingement and Sports Hernia
- Rehab of the Athlete's Hip, Part 2: Muscle and Tenon Injuries
- First-Time Low Back Pain and Recurrent Low Back Pain: Recognition of Key Factors and Prevention

American Academy of Orthopedic Manual Physical Therapist Conference, October 2012
