

# DAEMEN COLLEGE

A World of Opportunity

March 13, 2020

Dear Service Learning Students,

As you know, due to COVID-19 and in an abundance of caution, Daemen College has decided to make changes to our instructional format and move all courses online starting on 3/23/2020 and for the foreseeable future. With the change to instructional format, *all service learning sites will be discontinued until further notice.*

As of today, the service component of all service learning courses is considered satisfied. Students are still required to complete the academic requirements of their service learning course online. Please be aware that you may be required to complete an additional assignment as part of your class requirement due to this change. Your instructor will be in touch with you regarding the format and requirements of your class moving forward.

We will be in touch in the coming weeks regarding timesheets and evaluations. We appreciate your cooperation, patience, and creativity during this tumultuous time and will continue to keep you informed of any and all changes. Please feel free to reach out to me directly if you have any questions or concerns.

With gratitude,

Kristen Luppino-Gholston  
Director, Saffrin Center for Sustainability and Civic Engagement
