Dear Family members and supporters of our students,

There is no doubt that the cold weather is here. However, Daemen College is a warm place with our faculty and staff working to ensure that your students have many opportunities to develop and grow both here at the college and throughout our community to support their career or graduate plans.

**Opportunities including:**
- Recruiters on Campus (monthly)
- Panel Discussion – Refugees: Myths and Misconceptions
- Leads events such as Are you Linked In?
- Affirmation Day
- Panel Discussion - Civil Service Job Opportunities
- Common Core Training
- Earth Day events
- Second Annual Refugee Health Fair
- South Park High School Health Fair
- Children’s Photo Show in Seneca Babcock
- Seneca Babcock Children’s Photo Show at Daemen College
- 12th Annual Environmental Summit Planning Event
- WNY Earth Day Event at the Buffalo Zoo
- World Refugee Day Celebration
- Study Abroad Scholarship Workshop
- Study Abroad Fair

Students can learn more about their career interests by participating in student teaching, an Internship, clinical or practicum. In addition to local experiences, student can also benefit from a Study Abroad Program, The Washington, DC Internship and the New York State Assembly Internships.

When we ask students why they selected Daemen, invariably they say the small size and knowing that they can forge strong relationships with administrators and faculty.

We encourage your student to reach out to our Global Programs office, The Center for Sustainable Community and Civic Engagement, Career Services, our Entrepreneurship and Service Learning offices to take advantage of what Daemen has to offer.

Sincerely yours,

Maureen Millane, PhD
Associate Vice President
Community Engagement, Creativity, and Career Development
