Students who have successfully completed high school chemistry (official high school transcript must be on file in Daemen University's Registrar's Office) will not be required to complete CHE-101. An additional three credits in non-nursing elective course work will be required. If CHE 100 was completed at GCC, this course will satisfy the CHE-101 requirement.

Tuition Grants: Tuition grants, not based on financial need are available to all graduate nurses and registered nurses, and underwrite up to 50% of the cost of tuition.

N.B. Nursing students transferring to Daemen University must have a minimum 2.0 cumulative grade point average in all coursework from their college or nursing school. Daemen University will accept grades of "D" or better from the degree granting institution/s ONLY.

*Non-Nursing Electives must be of Liberal Arts and Sciences content.
