WELCOME TO THE WILDCAT FAMILY!

DAEMEN

— UNIVERSITY —

ORIENTATION

Dear Wildcats,

Attending Daemen University will be a transition for both you and your family. To help with this transition, we invite all parents/guardians of incoming students to our Family Orientation, a one-day program, on September 4, 2026. The day will be an opportunity to learn about the institution's services and campus resources, and to address concerns students may have during their first year.

[To register for Family Orientation](#), students will need to log in with their Daemen Admissions login and password, which should be the original email address they used to create their account, not their new Daemen email address. Additionally, students must first register for new student orientation before they can register family and guests for family orientation.

For a detailed [schedule of events](#) and answers to [frequently asked questions](#), please visit the [Orientation Website](#).

We look forward to meeting you soon!

Sincerely,
The Daemen University Orientation Team
