Daemen University  
Faculty and Staff

Dear Colleagues,

I hope you had a restful spring break and are prepared to meet the Middle States site review committee here on campus this week. I am writing with a few updates.

After a lengthy national search, Tim Balkin has been appointed Vice President for Business Affairs and Treasurer. He has served as interim Vice President since May 2024.

He oversees all aspects of the University's finance, accounting, human resources, facilities management, and information technology services operations. Tim's leadership and innovative thinking will help us continue to drive Daemen's forward momentum during these challenging times.

Before coming to Daemen, he served as Vice President for Finance and Administration at Canisius University. Prior to that, he completed a long career at Moog Inc., where he served in several capacities, including as Group Vice President and Treasurer.

Tim earned a BS in Accounting from Canisius College, and an MBA from the University at Buffalo. Please help me congratulate Tim: [tbalkin@daemen.edu](mailto:tbalkin@daemen.edu)

Also, today our new Chief of Staff, Joelle Carroll, begins her tenure at Daemen. Please help me welcome her to the Daemen community: [jocarrol@daemen.edu](mailto:jocarrol@daemen.edu)

Cordially,

Gary A. Olson  
President
