WELCOME TO THE WILDCAT FAMILY!

DAEMEN

— UNIVERSITY —

ORIENTATION

Dear Wildcats,

Welcome to Daemen University! We would like to officially invite you to register for New Student Orientation taking place September 4-6!

As you prepare at home, we are also preparing for your arrival on campus. Orientation is a series of events, activities, and opportunities developed to assist you and your family in transitioning to campus. Orientation is an opportunity to become part of the Daemen community, build relationships, and connect with campus support systems before classes begin. It is also when the campus comes together to ensure that new students have all the information and resources they need to succeed in their first year.

All new students are required to attend New Student Orientation.

Please note that students will need to log in with their Daemen Admissions login and password to make their reservation. Additionally, they will need to complete their course registration questionnaire and be registered for their Fall semester classes. Only students who have committed to Daemen by submitting their tuition deposit will have permission to register for orientation programs.

We look forward to meeting you soon!

Sincerely,
