

Office of Housing & Residence Life
HOUSING & DINING SERVICES AGREEMENT
2021-2022

INTRODUCTION

Daemen College provides housing accommodations for full-time undergraduate and graduate students within one of the following spaces: Canavan Hall (housing primarily first-years), Campus Apartments, Snyder Park, Collegiate Village or a hotel for temporary use. For the purpose of this agreement the term “housing” is understood to include any facility in which Daemen College provides housing to students, including but not limited to, traditional residence halls, and on-and-off campus facilities leased and/or owned by the College. For the purpose of this agreement, “full-time” is defined as enrollment in 12 credit hours per semester for undergraduate students and 9 credit hours per semester for graduate students.

AGREEMENT TERM

Unless circumstances necessitate a change, this agreement is valid upon signing, and is valid from submission through May 14, 2022 for non-graduating students and through 10:00am the day after Commencement for graduating students (May 22, 2022)

DAMAGES

Residents have an opportunity at the initial time of room occupancy, to list any damages or missing items in their respective rooms on a room condition form. When a student leaves the residence hall, members of the College staff will check the room to ensure that no additional damages have occurred. Residents will be required to reimburse the College for damages to the room while in occupancy.

ELIGIBILITY

All full-time, first-year students entering Daemen College whose permanent residency is beyond a 30-mile radius of Daemen College are expected to reside in campus housing for 4 consecutive semesters or junior status (whichever comes first). A student requesting an exemption for financial, medical, or other life-changing reasons must complete an Accommodations Form should they request to be exempt from this policy by July 1 prior to the beginning of the Fall semester the student wishes to enroll.

FEES & PAYMENT

Room and Board fees change annually and are not confirmed until approved by the Board of Trustees each June. Students residing in Canavan Hall must obtain a 19-Meal Plan, and students who reside within the Campus Apartments, Collegiate Village, Snyder Park or the hotel temporarily must have one of four meal plans. Students may change their meal plan during the Add/Drop period of each Fall and Spring semester (typically the first week of the semester). After these time periods, students may not decrease their meal plan until the next semester.

OCCUPANCY DURING VACATION PERIODS

Students may not occupy their on-campus rooms during Thanksgiving, Intersemester and Spring Break without the advance approval by the Housing and Residence Life Office. During the Intersemester Break, students requesting to stay on campus must have a Daemen related reason to occupy their room (classes or athletics). Students are NOT permitted to reside in their rooms while the College is officially closed in December with the exception of International Students and Athletes. Students who are permitted to remain on campus do so at no additional cost as long as they have followed the registration process outlined by the Housing and Residence Life Office. If a student is found residing in the halls during the break period, fails to register by the predetermined deadline, and/or has not been granted permission from the Office of Housing and Residence Life, they will be assessed a \$25 per day fee for the vacation period and have the incident referred to follow-up via the Student Code of Conduct. Students residing in off-site housing at Collegiate Village may occupy those spaces during the breaks, if permitted by Collegiate Village policy, but must vacate during the Summer months. Collegiate Village policies subject to change.

ABONDANED PROPERTY

Any personal property such as bicycles, refrigerators, clothes, televisions and the like that are left or abandoned by a resident or their guest after a resident has moved out of college housing, or after 60 (sixty) calendar days without contact shall be deemed abandoned, and there for the property of Daemen College. The College may use, dispose of or sell the personal property as they deem appropriate. The resident agrees to absolve and hold Daemen harmless for any claim to the abandoned property due to the damage, destruction, disposal or sale of such personal property.

TERMINATION

With the exception of enrollment cancellation, academic dismissal or withdrawal from Daemen College, which automatically terminates this agreement, students signing this agreement are entering into an academic lease and therefore, are not eligible for release from the Housing Agreement during the period in which it is in effect. In rare cases, such as: participating in a college-sponsored program away from the Amherst area, serious illness or injury to the student, or death in the immediate family, the student may petition the Director of Housing and Residence Life for release from Agreement. Decision to release the student from this agreement is solely at the discretion of the Director or his/her designee.

If termination is granted, the student is subject to a \$750 early termination fee and forfeiture of the \$200 Housing Deposit.

If a student withdraws from the institution before the add/drop date, a prorated daily amount will be charged for both room and board. If a student withdraws from the institution after the add/drop date, the student is responsible in accordance with the College’s liability chart for both room and board. Failure to officially withdraw from housing, return keys and remove personal items may result in additional room charges.

Disciplinary dismissal from the College or the College residence halls will subject the student to forfeiture of room and board fees for the remainder of the semester.

VACATING RESIDENCE HALLS

Students are required to vacate the residence halls within 24 hours after discontinuance of being enrolled as a student; within 24 hours of a student’s last final exam; or at the official closing time of the residence halls (whichever occurs first). Official closing notices will be posted by the Housing and Residence Life Office staff prior to each closing.
