WELCOME TO THE WILDCAT FAMILY!

Dear Wildcats!

Welcome to Daemen! Getting your Student ID is an important part of starting your life at the University. It is used for many aspects of campus, including access to the residence halls, library loans, and event attendance.

How to upload your ID Picture:

You must have an activated computer account to upload your ID picture.

1. [Activate your Daemen University email.](#)
2. [Upload your picture.](#)
 - Color photo taken within the last 6 months
 - Do not apply filters to the photo
 - Have uniform lighting on your face
 - Directly face the camera without tilting your head
 - Position yourself several feet away from the camera with your head centered and head fully visible (shoulders and up).

- Remove anything covering your face unless for documented religious or medical reasons.
- No other people, animals, or objects.

You will receive an email notifying you whether your picture has been accepted or if you need to upload a new one. ID cards will be available for pickup at Campus Safety in the Yurtchuck Student Center beginning August 1. Out-of-town students may pick up their ID cards during Check-In on September 4, 2026.

Best regards,
Kristen Mruk
Assistant Dean for Campus Safety & Operations
