C. Independent Student's Income Information to Be Verified

1. **TAX RETURN FILERS**—**Important Note:** If you (or your spouse, if married) filed, or will file, an amended 2024 IRS tax return, you must contact the Financial Aid Office before completing this section.

**Instructions:** Complete this section if the student filed or will file a 2024 income tax return with the IRS. *As part of federal student aid eligibility, students are required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.*

If 2024 income tax return information for the student (and/or spouse) was not available or could not be used, the student (and/or spouse) must provide the institution with a 2024 IRS Tax Return Transcript(s) or a freshly signed copy of the 2024 federal income tax return and applicable schedules. To obtain an IRS tax return transcript, go to [www.irs.gov](http://www.irs.gov) and click on the “Get Your Tax Record” link, or call 1-800-908-9946. Make sure to request the “IRS tax return transcript” and **NOT** the “IRS tax account transcript.” You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2024 IRS tax return was filed).

- ☐ The student provided consent and approval to share and import income and tax information from the IRS to the FAFSA form. Additional income and tax information for the student is not required.
- ☐ The student income and tax information did not fully transmit from the IRS to the FAFSA form. Additional income and tax information for the student (and/or spouse) is required.

Check the box that applies:

- ☐ Check here if the student's 2024 IRS tax return transcript or freshly signed 2024 federal tax return is attached to this worksheet.
- ☐ Check here if the student's 2024 IRS tax return transcript or freshly signed 2024 federal tax return will be submitted to the institution later. Verification cannot be completed until the IRS tax return transcript or tax return has been submitted to Daemen.

\*If you choose to download your IRS tax return transcript as a PDF, you can upload the PDF file at [daemen.edu/finaidupload](http://daemen.edu/finaidupload)  
\*\*Signed copies of 2024 federal tax returns must be either mailed or delivered in person to the Financial Aid Office. Uploaded and scanned copies **will not** be accepted.\*\*

2. **TAX RETURN NONFILERS**—Complete this section if you, the student (and, if married, your spouse), will not file and are not required to file a 2024 income tax return with the IRS.

Check the box that applies:

- ☐ The student (and, if married, the student's spouse) **was not** employed and had no income earned from work in 2024.
- ☐ The student (and/or the student's spouse if married) **was** employed in 2024 and has listed below the names of all employers, the amount earned from each employer in 2024, and whether an IRS W-2 form is attached. Attach copies of all 2024 W-2 forms issued to you (and, if married, to your spouse) by employers. *List every employer even if the employer did not issue an IRS W-2 form. If more space is needed, attach a separate page with your name and SSN at the top.*
