

CLINICAL HEALTH COMPLIANCE FAQS

- Q** How can I submit my paperwork?
- A** Online: daemen.edu/healthupload (take a photo of your records & submit them here)
Fax: 716-839-8230
In person: Wick 116, CHIP Center (down the hall from campus safety)

- Q** Do I have to fill out and submit the Daemen Clinical Health Form?

- A** No, you can submit the following records:
- From your provider's office
 - From your online patient portal
 - From your employer

- Q** Will Health Services send my paperwork to my clinical site?

- A** No. However, you can obtain copies from health services to send to your clinical site.

- Q** What does "maintaining your clinical compliance" mean?

- A** You are required to have up to date health records on file with health services at Daemen & your clinical site. Example: if your Tdap will expire 1 month after you begin, you must get a new vaccine and submit proof to health services and your clinical site.

- Q** How do I show proof of insurance?

- A** Submit a copy of the front and back of your current health insurance card.

- Q** Do I need to have a flu shot in non-flu season months (ex: summer)?

- A** Consult with your clinical site to see what they require during your experience.

- Q** What if I do not have a provider in the area to provide vaccinations and a physical exam?

- A** Local urgent care centers will provide necessary vaccinations and a physical. Insurance is not accepted therefore, there is an out of pocket cost. However, you may be able to submit your receipt(s) to your insurance company for reimbursement (not guaranteed).
