This message has been approved for distribution as part of the Daemen College's COVID-19 official response.

Dear Students,

We are writing to inform you that at this time, the Federal COVID-19 Stimulus awards have been exhausted from the funds received by the federal government. Though this application process is now closed, Daemen College is here to support its students. If you have continued concerns or questions about finances due to the impact of COVID-19, you can contact the Office of Financial Aid.

Additionally, the CARE Team can potentially assist with some short term funds and resources to help with emergency housing, food, etc. We would encourage you to contact Financial Aid at finaid@daemen.edu to set up a time to speak with us or someone from the CARE Team to discuss additional options at kspicer@daemen.edu or sfennell@daemen.edu.
