\*Students who have taken MATH-1500 at JCC will be required to take a statistics course comparable to Daemen's MTH-104.

\*\*Students who have successfully completed high school chemistry (official high school transcript must be on file in Daemen College's Registrar's Office) will not be required to complete CHE-101. An additional three credits in non-nursing elective course work will be required.

**Tuition Grants:** Tuition grants, not based on financial need are available to all graduate nurses and registered nurses, and underwrite up to 50% of the cost of tuition.

**Need-based Financial Aid:** Credits taken at Daemen College can be combined with JCC credits in the same semester to provide eligibility for financial aid. Call 1-888-4DAEMEN for further information.

N.B. Nursing students transferring to Daemen College must have a minimum 2.0 cumulative grade point average in all coursework from their college or nursing school. Daemen College will accept grades of "D" or better from the degree granting institution/s ONLY.
