Daemen College
Faculty and Staff

Dear Colleagues,

I am pleased to share the exciting news that the Middle States Commission on Higher Education has officially reaffirmed Daemen College's accreditation with a special commendation for the quality of our self-study report. According to the notification letter, the commission officially affirmed Daemen's ten-year accreditation at its June 23 meeting.

This reaffirmation of accreditation speaks to the high quality of our academic programs, faculty, and staff, and our ability to provide a first-rate education to our students. The commission's decision was based on a highly positive peer evaluation team report that followed a successful three-day site visit in March, and also Daemen's impressive comprehensive self-study. To be commended on our self-study is a testament to the diligence and extensive effort of many in our college community.

I wish to extend my deepest appreciation and congratulations to the Self-Study Steering Committee, led by co-chairs Dr. Kathleen Boone, Dr. Kevin Telford and Dr. Susan Marchione. To the entire college community, I offer my sincerest thanks for your support and contributions to this college-wide endeavor.

Cordially,

Gary A. Olson
President
