Daemen College

Dear Colleagues,

I am pleased to announce the formation of the Daemen College Staff Advisory Committee. Many of you expressed an interest in implementing this important initiative here at Daemen, and the Cabinet agreed.

The committee will be composed of fifteen staff members (both salaried and hourly) appointed by the President after consultation with the Cabinet. The mission of the committee will be to promote a campus-wide spirit of community and collegiality, and provide staff with opportunities for leadership and professional development.

The committee will be chaired by the Chief of Staff and will begin drafting by-laws and term limits at the initial meeting. You will be hearing from the Chief of Staff soon with more information and details on the nominating process. I have attached a document outlining the committee's mission, vision and values for your review.

Cordially,

Gary A. Olson
President
