Daemen will allow up to 90 credits to transfer from SUNY Erie to be applied toward fulfillment of requirements for the BS Health Promotion program, pending they meet all transfer policies set in place by Daemen and the department.

*Due to 1 extra credit in CHE-110/L, remaining DC required free electives will be reduced from 10 credits to 9 credits.

¹Courses required will differ depending on Specialization chosen.

²PSY100 recommended to fill Daemen requirement. If student completes SO100 they will receive credit toward core electives and PSY103 will be an outstanding requirement at Daemen College.
