Company Description: Founded in 1948, Robert Half has a long running history established as the top staffing agency. We are the first business to provide specialized staffing services for accounting and finance professionals. Back in 1986, the idea of the professional-level temporary was still untested, as the industry was primarily made up of generalist staffing firms placing clerical and light industrial workers. Believing that companies would be open to temporary workers at higher skill levels, Robert Half launched a series of new specialized professional staffing divisions, each of which have grown into highly successful businesses. Here in Buffalo, our focus is on strong Administrative, Accounting and Finance professionals looking to make an immediate impact in these specialized roles for our valued clients.

Company Description: The New York Air National Guard (NYANG) has air bases on Long Island, in the Hudson Valley, the Capital Region, Syracuse and the Niagara Frontier. The 105th Airlift Wing flies the C-17 Globemaster III transport, while the 107th Airlift Wing will soon begin operating the MQ-9 Reaper remotely piloted aircraft. The 174th Attack Wing has flown the MQ-9 Reaper attack aircraft since 2010 and also trains all Air Force maintainers working on this critical system. The NYANG's 109th Airlift Wing flies the only aircraft in the U.S. military able to land on snow and ice with skis, and the Eastern Air Defense Sector keeps watch over the skies above the eastern United States from an air defense coordination center in Rome, NY. And on Long Island the 106th Rescue Wing stands ready to assist the Coast Guard in search and rescue missions at sea while preparing to deploy to combat zones. NYANG members are continually deploying to combat zones around the world. The New York Air National Guard is also ready to deploy at the direction of the governor to protect life and property, and preserve peace, order and public safety. State missions, which are funded by the state, include disaster relief in times of earthquakes, hurricanes, floods and forest fires; search and rescue; protection of vital public services; and general support to civil authorities.
