

# DAEMEN

## Modern Languages

### Degree Offered:

Innovative Tracks for Majors:  
Dual-BS /Double-BA Major  
Professional Track-BA  
Secondary Education-BA

### Multiple Pathways to a Minor in FRE or SPA:

Accelerated, Beginner, Traditional

Additional Minors: Hispanic Linguistics, Hispanic Studies

### Why Modern Languages at Daemen?

- Our programs offer career specific preparation for maximized post graduate opportunities. All tracks participate in career specific:

Study Abroad	Internships	Service Learning	Senior Projects
Semester Jan-term Year Summer	Washington Internship & World Internships	Western New York USA International	Career-specific articulated in the language of study

- All students work closely with **FACULTY MENTORS** to ensure steady progress toward linguistic development and professional success.
- All students work with native-speaker **LANGUAGE ASSISTANTS** for language development and cultural awareness.
- Double / Dual Majors **graduate with two degrees**, and potentially **multiple discipline-based minors**, interdisciplinary +PLUS Pathway minors, or other courses designed around a central theme through +plus clusters.
- Majors design **minor areas of emphasis** geared toward **career goals**. Adolescence Education Candidates are poised for their Ed TPA, Bilingual Education Assessment, and MEd degree, and teaching across the country.
- All students use language skills in hands-on, real-life assignments both in and out of class.
- All students will achieve intermediate-level proficiency in an additional language to be **competitive in the post-graduate hiring demands for multilingual employees**.
