

Welcome to Daemen!

Read the following important information **carefully**.
Complete the checklist to receive your Form I-20 promptly.

IMPORTANT INFORMATION

Why do you need a Form I-20?

You need a form I-20 to obtain an F-1 student visa or status, or to keep lawful F-1 status when transferring or changing schools within the U.S.

***CANADIANS CITIZENS:** Do not require a visa and will process their I-20 at a land border.

Does everyone need a Form I-20?

No, some international students do not need I-20s.

- If you are maintaining another non-immigrant status in the U.S., you do not need an I-20 and may attend school full or part-time. Please inform your admissions counselor about your non-immigrant status *as soon as possible*.
- Dependent children in E, H, J, L, M, N, O, P, R or S status do not require I-20s, however they must change status before their 21st birthday or if they marry.
- B visitors and F-2 dependents must obtain an I-20 and apply for a change of status to F-1 student in order to pursue a course of study that is not avocational or recreational in nature.
- If you have no legal status, you may attend school but you are not eligible to change status and do not need an I-20.

How do I get the Form I-20?

1. Receive acceptance to a full-time program of study.
2. Prove you can support the costs of living and studying in the U.S. for every year of your program of study.
3. Complete the checklist below. Make sure to attach the required documents. Submit to your admissions counselor via email.
4. Visa appointments are available on a limited basis beyond our control. Your prompt submission of the items on the checklist below will result in the timely processing of your form I-20. Your I-20 will be mailed to you at the address you indicate on your application or you may pick it up in-person.

CHECKLIST TO RECEIVE THE FORM I-20

- Complete pages 4-6 of the application
- Have each financial sponsor complete pages 7-8 and attach appropriate financial documentation proving financial capability.
***NOTE:** Review the financial support information on page 2. I-20 issuance is most often delayed by inappropriate or lack of financial documentation.
- Complete pages 9-10 *only if you are a current F-1 student and wish to transfer your status to Daemen University.*
- Attach a copy of the photo page of your passport (and dependents).
- Submit to your admissions counselor via email.

FINANCIAL SUPPORT INFORMATION

Your financial support may come from any combination of the following sources in the U.S. OR abroad.

- **FUNDS FROM SPONSORS:** Sponsors may include parents, relatives, friends, or organizations. You may have as many sponsors as you need. Sponsors may provide you with support in the form of money and/or free room and board. Free room and board means you will live with the sponsor and don't have to pay for your room or food.
 - **It is recommended at least part of your financial support come from your home country.**
 - **A sponsor should promise only as much money as he or she is capable of giving you.** The most common reason financial documents are rejected is that the sponsor cannot afford to give as much money as they promised.

Required documentation for sponsors:

1. **Affidavit of Support**
2. **Most recent pay stub** proving income/employment
3. **Bank statement in sponsor's name:** statement must show balances and deposits.
Letters from bank officials will not be accepted.
4. **One or more of the following:**
 - Income tax returns or receipts
 - Pay stubs for last six months
 - Bank/investment statements for last six months

- **PERSONAL FUNDS:** come from your own resources, not those of anyone else. Unless you have enough cash to support yourself for your entire program of study or can prove other sources of personal income, you will need a sponsor with an income sufficient to support you.

Required documentation for personal funds:

1. **Bank/asset statement in your name:** monthly statements of balances and deposits.

- **FUNDS FROM THIS SCHOOL:** such as a scholarship, assistantship, or an athletic contract. Most financial awards from the university do not cover the entire program of study or all expenses. You may need additional support to meet your minimum annual costs.

- **ON CAMPUS EMPLOYMENT:** **DO NOT EXPECT TO WORK IN THE U.S. TO HELP MEET YOUR ANNUAL COSTS!** On-campus employment is limited and competitive; off-campus work is strictly controlled by the US government.

- **GOVERNMENT LOANS/SCHOLARSHIPS:** must include your name and the amount you will be given each year of study.

Required documentation for government loan/scholarship:

1. **Letter from sponsoring government organization** on official letterhead

Documentary Evidence Requirements

*Please note the first year of funding must be shown in liquid assets.

ALL FINANCIAL DOCUMENTS MUST:

1. **List the account holder(s) name(s) and be dated**
2. **Indicate account type** (checking, savings, credit line, etc.)
3. **Be on financial institution's letterhead** or stamped certified by the financial institution
4. **Be less than two months old**
5. **Be in English.** WE CANNOT REVIEW DOCUMENTS WHICH ARE NOT IN ENGLISH.

SPONSOR'S AFFIDAVIT AND EVIDENCE OF ANNUAL CASH SUPPORT

WHAT DOES THIS AFFIDAVIT MEAN?

By completing this affidavit, you are swearing to the U.S. government that you will provide this student with a specific amount of money, from your own financial resources, for every year they are attending Daemen University. You are also proving you can afford the support you are promising with the evidence you have attached.

Before signing, it is important to understand you are making a financial commitment to the student which should not be broken. Failing to provide the promised support may force the student to drop out of school and cause pain and suffering. Do not expect the student to be able to help support the costs through employment. Employment is strictly controlled by the U.S. Department of Homeland Security and is very limited.

HOW TO COMPLETE THIS FORM:

1. Fill this form out in English or have it officially translated. Promise only the amount of money you are able to give. The most common reason affidavits are rejected is not believing a sponsor can afford to give as much as promised.
2. Sign and date the affidavit.
3. Attach the supporting evidence listed below. The affidavit will not be accepted without the required supporting evidence. Refer to page 2 of the Form I-20 Application instructions for detailed evidence requirements.
4. Give the student the original documents and have him or her submit electronic copies to their admissions advisor attached to the *Application for Form I-20*. The student will need to keep the originals to present to the consul at their visa interview.

SUPPORTING EVIDENCE REQUIRED:

1. **Most recent pay stub** proving income/employment.
2. **Bank statement in your name only less than 2 months old.**
 - Statement must show balances and deposits *in English*.
 - Letters from bank officials *will not* be accepted.
 - If another person's name appears on your bank statement, that person must also complete a separate affidavit.
3. **One or more of the following:**
 - Income tax returns or receipts
 - Pay stubs for the last six months
 - Bank/investment statements for the last six months
