## **Statement on the Death of a Daemen Student**

On behalf of the entire Daemen College community, we are deeply saddened to share the tragic loss of student Jennifer McAlmont, 21, a junior health care studies major, who passed away in her Collegiate Village apartment early Sunday, November 30. The family of the Brooklyn resident has been notified. We extend our heartfelt thoughts and prayers to Jennifer's family and friends.

Daemen is offering grief counseling and support services to all those affected by this devastating loss. The Conference Room located in the Collegiate Village Lodge will be available with a counselor starting at 11 a.m. Sunday morning. Additional services will be made available and communicated to the campus community.

More information will be shared as it becomes available. Members of the Daemen community are encouraged to contact campus safety 24/7 at 716-839-8246 or Counseling Services at 716-839-8337 for assistance or if you are aware of someone in need of services.

Cordially,

Gary A. Olson  
President
