April 1, 2020

Dear Residents:

I hope this email finds you well. I wanted to connect with you as Daemen's spring holiday is approaching. During this time, students often visit family or friends because there are no scheduled classes, which this year will be from Friday, April 10 - Tuesday April 14, 2020.

This is an unprecedented time where your safety and that of our campus community is of utmost importance. Therefore, it is crucial for you to be aware that if you leave campus to visit family or friends during the spring holiday, that you refrain from returning to campus for the continuance of classes on April 15, 2020.

If you decide to leave campus and not return to your campus housing for the remainder of the semester, please let me know so that, if needed, we can make arrangements for your belongings to be stored in your room and ensure that your keys are returned to Campus Safety.

Thank you for your cooperation in keeping our campus healthy.

Danielle
