

# DECLARATION OF DOUBLE MAJOR OR DUAL DEGREE

## WHAT YOU SHOULD KNOW ABOUT DOUBLE MAJORS/DUAL DEGREES:

- The filing of this form and completion of requirements in a second program does not necessarily result in the conferral of multiple degrees/diplomas. The determination on whether a 2<sup>nd</sup> degree will be awarded is based upon the total additional credits required to complete the 2<sup>nd</sup> program, as well as the extent of distinctly different content between the programs. Upon filing this form, the Registrar will determine if the request constitutes a dual degree or a double major.
- The pursuit of a dual degree is defined as matriculation in a 2<sup>nd</sup> program, leading to a second degree conferral.
- The pursuit of a double major is defined as pursuit of coursework in a 2<sup>nd</sup> program leading to a statement of completion (on the transcript) of a 2<sup>nd</sup> major's requirements. A double major does not result in a 2<sup>nd</sup> degree conferral and both programs must be completed in the same semester.
- Upon review and comparison of the two programs, the Registrar will inform students whether the two programs will result in a dual degree (two diplomas) or a double major (one diploma; second major noted on transcript).
- The pursuit of a dual degree or double major may have Financial Aid implications. Consult the Financial Aid office for details.
